

## **BCMM IDP submission**

The following broad recommendations were made in [Afesis-corplan's submission](#) to the Buffalo City Metropolitan Municipality's (BCMM) call - from September 2016 - for stakeholders to submit their development needs and priorities so as to inform the BCMM Integrated Development Plan (IDP) review process that will inform revisions to the [BCMM - 2017/18 IDP](#).

- 1. Plan for and implement a [Managed Land Settlement](#) pilot project on the West Bank of Buffalo City
- 2. Implement the [BCMM upgrading of informal settlement policy](#)
- 3. Adopt and implement the [BCMM Integrated Agricultural and Rural Development Strategy](#)
- 4. Review the [BCMM housing allocation policy](#)
- 5. Review the BCMM public participation procedures and undertake a community based planning pilot project.
